Pi Kappa Phi fraternity has been under investigation since the start of the Spring 2013 semester for alleged violations of the University of Arizona Student Code of Conduct. Throughout the course of the investigation the University of Arizona’s Dean of Students Office has partnered closely with Pi Kappa Phi National Fraternity to respond to the alleged violations appropriately.

On Thursday March 28, 2013, the decision was made to permanently remove Pi Kappa Phi Fraternity’s recognition from the University of Arizona. Effective immediately, the chapter is no longer a recognized organization and must cease all activity on the University of Arizona campus. This decision was made following a comprehensive investigation into several alleged violations of the code of conduct.

Pi Kappa Phi Fraternity was found responsible for multiple, repetitive violations of off-campus conduct which presented a threat to the health and safety of members of the UA community, including:

- **Hazing** - Engaging in, supporting, promoting, or sponsoring hazing or violating ABOR or University rules governing hazing.
- **Violations of the University of Arizona Code of Conduct rules or applicable laws governing alcohol,** including consumption, distribution, unauthorized sale, or possession of alcoholic beverages.

Pi Kappa Phi fraternity has the right to appeal the sanction of loss of recognition to the University Hearing Board, and has twenty business days to exercise this right.

“The University of Arizona is committed to hosting viable, values-based fraternities and sororities. The University has a long tradition of a strong Greek community and will continue to welcome Greek organizations that support the mission and values of our institution, while promoting the health and safety of UA students,” said Interim Dean of Students Kendal Washington White.
