Public Health Undergraduate Network (PHUN)- The undergraduate Public Health Club. For more information or to express interest in contributing to the club's success, please contact us at [publichealthua@gmail.com](mailto:publichealthua@gmail.com).

Tutoring- The department advises students to reach out to their course instructors, TAs, and preceptors (if applicable) if they need any extra assistance. They recommend that students utilize the instructor's and TA's office hours and/or the preceptor study sessions to get extra help and studying done.

Public Health Ambassadors- According to their website, Public Health ambassadors "meet with prospective and admitted students, volunteer for AHSC-sponsored middle school and high school events, outreach and presentations to campus clubs and organizations, staff tabling events at various events on and off-campus, serve on student panels for visit days, and lots of other fun outreach/recruitment activities."
