Dear President [REDACTED]:

On August 3, 2023, the Delta Tau Delta national headquarters notified the University of Arizona of the decision to withdraw recognition of the Epsilon Epsilon colony of Delta Tau Delta at the University of Arizona.

In accordance with the [University of Arizona Club Handbook](#), a Greek Letter Organization must remain in good standing with its national/international fraternity or sorority. Therefore, effective immediately, The University of Arizona has withdrawn recognition of the Epsilon Epsilon colony of Delta Tau Delta in response to the national headquarters' withdraw of recognition.

Loss of Recognition means the withdrawal of the fraternity as a recognized student organization on the university campus. An unrecognized student organization cannot participate in any University sponsored event and loses the use of University facilities and resources.

If the national organization of Delta Tau Delta expresses interest in returning to the University of Arizona, the organization will be required to follow the steps outlined in the [Fraternity and Sorority Programs Expansion Policy and Procedures](#).

Since recognition at the UA is contingent on being in good standing with Delta Tau Delta national headquarters, the UA Club Recognition process does not provide for a formal appeal of **Loss of Recognition** in this instance.

Should you have any questions or comments about the sanctions, please contact the Dean of Students Office at 520-621-7057.

Sincerely,

Chrissy Lieberman
Associate Dean of Students
