2F-23	Sigma Tau Gamma	<p>IFC Fall Recruitment Policy - During the recruitment process, the Interfraternity Council expects fraternity members to express how they live up to the fraternal values of brotherhood, service, leadership, and scholarship. Further, it is expected that fraternity members share a zero-tolerance policy both on hazing and consumption of drugs and/or alcohol with any potential new members.</p> <p>4. a. There is to be no alcohol or illegal substance, including marijuana, involved with any aspect of recruitment, including all recruitment activities or events outside of the IFC Recruitment Week, this includes Bid Day. a. Empty items and containers visible to potential new members – Any offense \$200 fine. b. Items and containers that contain alcohol or other substance – Any offense \$500 fine. c. Any person(s) actively consuming item(s) or container(s) that contains alcohol or other substance – First offense \$1,000 fine and removal of members involved from all recruitment events. The second offense is a referral to the Greek Standards Board.</p> <p>Sigma Tau Gamma has been found responsible for a violation of policy 4c.</p>	<p>Sigma Tau Gamma is appealing the IFC Executive Council's determination of responsibility for violating the IFC Fall Recruitment Policy. The following statement was submitted to Sigma Tau Gamma leadership.</p> <p>"In the Sigma Tau Gamma parking lot on August 27th, 2023, during the second round of recruitment activities we observed the actions of two Active Sig Tau Members and two (PNMs) leaving a closed room on the premises of the Sigma Tau fraternity house.</p> <p>At precisely 3:55 PM on August 27th, 2023, during the second round of recruitment, we arrived at the Sigma Tau parking lot with the purpose of transporting a PNM requiring transportation services. Upon approaching the fraternity house's parking lot, we witnessed two PNMs exiting a room that was visibly closed. Of significance was the fact that one of the PNMs was holding a can of "twisted tea," which was subsequently discarded to the side of the parking lot.</p> <p>This particular PNM then proceeded to embark on a vehicle driven by a member of the Sigma Tau Gamma fraternity. It was evident that the PNM was being transported to another chapter for the next round. Although the identity of the specific PNM could not be ascertained, it was noticeable that the PNM had been wearing a name tag. Following the departure of the PNM and upon disembarking from our vehicle, we approached the discarded can of twisted tea in the parking lot, confirming its nature. Subsequently, we located a member of the Sigma Tau chapter who had emerged from the connected house and engaged in a dialogue regarding the incident. The member exhibited a degree of discomfort in light of the accusations and promptly apologized for the actions witnessed. Importantly, the member tacitly acknowledged the accuracy of the assumption made and proceeded to dispose of the can in the bottom of the trash. We were then directed to talk to the recruitment chair of the chapter where he again apologized and stated that he had no recollection of this and was going to reiterate to his members this is unacceptable and investigate what occurred."</p>	Responsible	Sanctions put in place by the IFC	Completed

A chapter or alumni member, or anyone acting on a fraternity's behalf, may not initiate contact with a Potential New Member by telephone, social media, in person, or in writing outside of scheduled recruitment events</p> <p>All four incidents appear to show Sigma Chi communicating with PNMs outside of designated recruitment periods and implying that the PNM may have a bid at Sigma Chi.</p>	<p>Sigma Chi is appealing the IFC Executive Council's determination of responsibility for violating the IFC Fall Recruitment Policy. The following statement was submitted to Sigma Chi leadership.</p> <p>"It was reported to me from an organization that Sigma Chi was in the process of oral bidding or implying that Potential New Members going through the recruitment process would have a bid to Sigma Chi on four separate occasions including on bid day. I am including School Director Edella Schlager, Associate Director Alex Braithwaite, and Assistant Director Angela Hackett to make them equally aware of this continued issue.</p> <p>Last night (September 21st) at approximately 6pm there was increased shouting and whistles from a large student group entering the building. On Ad Astra, an Alpha Phi event called "Heartthrob" was scheduled in Social Sciences 100 starting at 5pm. I contacted UAPD before leaving campus to make sure the overall noise of the group was reported as there have been similar instances in the past (Fall 2022 and Spring 2023) where a Greek Life student group schedules an evening event in the building and becomes quite disruptive while evening classes – both graduate and undergraduate – are taking place.</p> <p>From my understanding, it was reported in Fall 2022 that the student group left Social Sciences 100 in utter disarray. It is unclear if the same mess happened in Spring 2023, but our custodian this morning informed both SGPP and Philosophy that it took all morning to clean up the room once more."</p>	Responsible	<p>Alpha Phi Must:</p> <p>1. A male subject (later identified to Ofc. Nieves #2222 as NAME REDACTED) was walking behind her and trying to keep her from walking into the street.</p> <p>Once I had contacted NAME REDACTED she stated that she had not had anything to drink. NAME REDACTED was swaying back and forth while trying to stand to talk with me. She was slurring her words, and her eyes were watery. NAME REDACTED was swaying to the point she almost fell over. I walked her over to a short wall and had her sit down. After pointing out her signs and symptoms NAME REDACTED admitted to drinking at Sammy house (Sigma Alpha Mu 1605 E 1st Street). NAME REDACTED is under the age of 21.</p> <p>NAME REDACTED stated that "everyone is fucked at Sammy and I just want to leave", "Sammy is kinda fucked, everyone is super drunk" and "they gave me a lot of alcohol".</p> <p>NAME REDACTED stated he was just walking NAME REDACTED to her dorm located at Coronado Residence Hall (822 E 5th St), and he had just met her tonight. During the last few minutes of the game a player on the ZBT fraternity team, "ZBT NAME REDACTED" intentionally ran over another player and then threw the football at him. The player he ran over and taunted was "PIKAPP NAME REDACTED" of Pi Kapp. That incident isolated would have had ZBT NAME REDACTED ejected and we would simply handle it using our disciplinary action plans for an ejection. Once this happened both frats left their sidelines and created a scrum on the field. This included both fraternity's rosters which I will attach at the bottom of this email. It also included the fans of Pi Kapp, who we are assuming are other members of the fraternity who are not on the team.</p> <p>During the scrum, " ZBT NAME REDACTED " of ZBT ran into the scrum and was punched in the face by " PIKAPP NAME REDACTED " of Pi Kapp, which is a very serious offense for us. The punch landed on his eyebrow and resulted in a cut with moderate bleeding. ZBT NAME REDACTED was very upset but did not physically retaliate. There were no other serious physical altercations in the scrum, just chesting up with other players and shouting, but no punches or shoves.</p> <p>After our student supervisors separated the two frats, they told all the fans of Pi Kapp that they had to leave the facility for coming onto the field and escalating the event, which does align with our policy on crowd control. The fans of Pi Kapp, who we are assuming are members of the fraternity, were extremely disrespectful with our supervisor, calling her names such as "Bitch," questioning her authority, mocking her, and telling her they would not leave. She threatened to call UAPD, which prompted them all to finally leave, but they left all of their trash on the field on purpose as a final way to show their disrespect.</p> <p>On our end, we will hold suspension meetings with ZBT NAME REDACTED and PIKAPP NAME REDACTED, as we do with all suspensions. Those players are suspended until they meet with us. After the meeting, we determine the suspension length. Based on PIKAPP NAME REDACTED throwing a punch, he will for sure be suspended the rest of the semester, and most likely the entire academic year, if not his entire time here as a student. ZBT NAME REDACTED is likely facing a few weeks-long suspension as well. After medical staff cleared her, I asked her if I had heard her correctly about her drinking alcohol. She confirmed again that she had three shots and two white claws. While speaking with her, I could smell a faint odor of intoxicants coming from her breath, she had bloodshot watery eyes, and was stumbling around.</p> <p>She went on to tell me she had been drinking at the fraternity TDΧ (Theta Delta Chi) and they did not ID her. They handed out wristbands to get into their party. The wristband was given to NAME REDACTED after completing a short survey for the fraternity. There were several questions on the survey such as, if the person was over 21 years old and what grade they were in. NAME REDACTED advised, she put on the survey she was not over 21 years old however they still provided her with a wristband. NAME REDACTED advised me she knew the legal drinking age was 21 in Arizona and confirmed she was 18 years old.</p>	Not Responsible	No sanctions	Completed
