Welcome to the University of Arizona!

Wildcat Family,

Greek Life came to the University of Arizona in 1915, and has continued to provide incredible experiences for students through charitable work, professional experiences, and close bonds. As leaders in the Greek Community, we are so excited to welcome you into the fraternity and sorority community here at the University of Arizona. The three councils work together to provide a memorable experience that enhances a Wildcat’s journey during their time in Tucson. The purpose of Greek Life is to develop lifelong relationships, set the standard for academic excellence, and make positive impacts on people across the globe through philanthropic and service events. Greek Life strives to make a difference in the entire University of Arizona community and the surrounding Tucson area.

The staff members at the Fraternity & Sorority Programs office are dedicated to supporting all students and providing resources that foster success and personal growth and development. This has allowed the Greek community on campus to flourish and thrive with a whopping 5,500 members spanning over 50 different chapters. This is roughly 15% of the student population, and we are continuing to increase in size. Joining a Greek-lettered organization is all about finding people who share common interests, values, and beliefs, while also celebrating the diverse backgrounds and experiences that we come from. As you prepare to embark on this journey, remember to be yourself. We genuinely believe that there is truly a place for everyone, and we are so excited for each of you to witness that first hand. This is what going Greek is all about—supporting and empowering one another to be our best selves.

We hope you consider the opportunity to be a part of one of the strongest traditions at the U of A. Bear Down and Go Greek!

STATEMENT ON HAZING

No individual Wildcat should be demeaned, ridiculed, belittled, or placed in a potentially harmful situation in order to be included in a group at the University of Arizona.

Being part of a campus group can be one of the most meaningful aspects of student life. However, hazing is a hidden and serious problem that undermines the value of these experiences for many individuals. Hazing is a violation of the University of Arizona policy and Arizona State law. The University of Arizona will investigate any hazing report and will always hold individuals or groups accountable if they are found to be hazing. When calling or emailing, it is important to include the name of the organization and as much detail as possible. Investigations cannot occur if the name of the organization and the type of incidents that are occurring are not provided.

Fraternity & Sorority Programs has joined together with Campus Health, Housing & Residence Life, Arizona Athletics, the Parent & Family Association, and the University of Arizona Police Department to create a hazing prevention coalition on campus. To prevent hazing on campus, staff, students, faculty, and families must all work together. Information on prevention and reporting can be found on the Fraternity & Sorority Programs, Dean of Students, and Hazing Prevention Coalition websites.

Please report hazing to:
The Hazing Prevention Hotline — (520) 626-HAZE (4293)
The Dean of Students — (520) 621-7057
or UAPD in case of emergency or criminal activity — (520) 621-UAPD (8273)

ACADEMICS

WHY GO GREEK?

DEVELOPMENT
Since the founding of the first fraternity in 1776, fraternities and sororities have helped college students develop strong networks of support on campus and beyond. Joining a fraternity or sorority will enhance your collegiate experience by providing support and resources to help your academic, leadership, and social development.

GRADUATION & RETENTION
Greek students are significantly more likely to remain at the University of Arizona for their sophomore year and are significantly more likely to graduate from the University of Arizona than non-Greek students.

ACADEMIC SUPPORT
Fraternities and sororities offer many resources and programs to enhance the academic experience for their members. Minimum grade point averages are required in each chapter for joining, initiation, and maintenance of good standing. Incentive programs recognize members for their academic achievement and scholastic effort. Academic efforts are self-evident, as approximately 34% of fraternity and sorority members receive a 3.5 GPA on average.

GREATER ACADEMIC OPPORTUNITIES
Greek members continue from their first year to sophomore year at an 18% higher rate than non-Greeks.

GREEK ACADEMY
Greek Academy is a five-session academic program designed to provide Greek students with new learning and study techniques to improve their academic success. Session topics can include: goal setting, time management, coping with stress, exam preparation, test taking, and more. Topics change semesterly based on student need and feedback.

Results include increases in grades, student motivation, diligence, self-discipline, knowledge acquisition, preparation, and test taking and decreases in anxiety related to school performance.

We are excited for members to join Greek Academy and make a commitment to academic excellence! Greek Academy takes place in the fall and spring semesters.

Welcome to Greek Life at the University of Arizona! Your student has many opportunities for involvement, and we’re pleased that they are considering fraternity or sorority membership. By joining a Greek chapter, your student will be joining hundreds of other new members on our campus in search of leadership opportunities, community involvement, and lifelong friendships. The fraternity or sorority experience enhances the rewards of college life. Simply put, Greek Life adds a dimension to the college experience that can’t be found in other organizations. Greek Life has a rich history on campus and is one of our most enduring traditions. Arizona fraternity and sorority members hold high academic standards, volunteer regularly, develop and strengthen leadership skills, create a support network, and nurture long-lasting friendships.

HELPFUL HINTS

• Be supportive of your student’s choice to join a fraternity or sorority and the organization they choose, regardless of legacies or family history.
• Ask for details from your student about the financial aspects of membership.
• If you have a question about fraternity or sorority life, go to the source and ask the Fraternity & Sorority Programs (FSP) staff.
• Don’t buy into gossip or hearsay.
• Encourage your student to attend programs sponsored by FSP and the Dean of Students Office.
• Know the names and phone numbers of the chapter president, new member advisor, and chapter officers and governing councils.
• Talk with your student! Phone calls, emails, letters, and care packages are always appreciated.
• Expect to see new t-shirts, photos, and other Greek-letter paraphernalia.
• Join the Parents & Family Association! They can help you get involved and answer many questions: uafamily.arizona.edu
• Attend Arizona Family Weekend and participate in family activities with your student’s fraternity or sorority.
• Talk to Arizona staff about hazing or other safety concerns.

SAFETY

Fraternity & Sorority Programs is dedicated to ensuring the safety of all the members of the Arizona Greek Community. Throughout the recruitment process and the entirety of their membership, students are given information on topics such as campus safety, hazing, sexual assault prevention, and alcohol education. The FSP staff conducts workshops, and the office has built a relationship with UAPD who can also give presentations and act as an educational resource.

In addition, each chapter is required to have a member serve as the health advocate, a trained peer educator who serves as a resource for chapter members. For more information on safety and students, check out the Arizona SafeCats Program: deanofstudents.arizona.edu/safecats

FAQs

For more information, visit our website or attend an informational session during orientation.
greek.arizona.edu/fsp/parent-family-resources

Q: What costs are associated with joining a fraternity or sorority?
A: For Interfraternity Council (IFC) fraternities, new members incur one-time expenses such as a bid acceptance and initiation fee. Recurring expenses include: chapter dues, national fees, social fees, and risk management insurance. For organizations with houses, room and board (if living in a chapter facility) may also apply. Sororities in the Panhellenic Council (PC) have similar fees. For chapters in the United Sorority & Fraternity Council (USFC), the totals vary greatly. Encourage your student to inquire about each organization’s specific fees.

Q: When can my student join a fraternity or sorority?
A: There are both formal recruitment and informal processes, and some chapters may participate in one or both. To find the most up-to-date information, visit the Fraternity & Sorority Programs website: greek.arizona.edu/fsp/fraternity or greek.arizona.edu/fsp/sorority

Q: What leadership opportunities are available to Greek members?
A: As a Greek member, students have the opportunity to be a chapter and/or council officer, enroll in Greek leadership classes, participate in the Panhellenic Program, lead a weekend retreat, and become a peer health educator. All members are also encouraged to become involved in other student organizations, have an internship, or hold a job.

Q: Can my student live in the chapter facility as a new member?
A: New members will not receive housing on fraternity or sorority property. Once a student is an initiated member, they will be able to participate in each organization’s housing selection process. The process differs for each organization. Only about half of fraternities and sororities have chapter facilities, and primarily sophomores live in the houses.

Q: What kind of accommodations are available for students with disabilities in fraternities and sororities?
A: Please contact FSP to explore disability-related access and accommodations. Many chapter facilities are fully accessible, and chapter officers and governing councils try their best to utilize universal design when developing programs and activities. You may also contact the Disability Resource Center (drc.arizona.edu) for more information on accommodations. Look for the Access Features symbol on chapter profiles for accessible facilities.

Q: What is the University’s stance on alcohol and drug abuse?
A: The University of Arizona recognizes that the use of alcoholic beverages by those of legal age is a matter of personal choice. The University requires that those who choose to drink on University property abide by state law and University regulations and expects that such individuals will conduct themselves responsibly, mindful of the rights of others.

Q: How can I find out what organizations are have been on probationary periods?
A: If an organization is listed under “Organizations on Loss of Recognition Status” on the judicial page of the FSP website, then the University does not recognize it as an official organization. To view the disciplinary status of particular organizations, visit: greek.arizona.edu/judicial

Q: What is the University’s stance on hazing?
A: The University of Arizona seeks to promote a safe environment in which students may participate without compromising their health, safety, or welfare. Hazing is a violation of university policy and state law. No individual Wildcat should be demeaned, ridiculed, belittled, or placed in a potentially harmful situation in order to be included in a group at the University of Arizona. For more information, see page 4.
THE FRATERNITY EXPERIENCE

THERE ARE 30 NATIONAL FRATERNITIES ON THE UNIVERSITY OF ARIZONA CAMPUS.

WHICH ONE IS RIGHT FOR YOU?
All chapters at Arizona belong to a governing council. Both the Interfraternity Council and the United Sorority & Fraternity Council are home to fraternities and offer different experiences.

WHAT IS THE INTERFRATERNITY COUNCIL?
The Interfraternity Council (IFC) is the coordinating and governing board of 20 social fraternities at the University of Arizona. IFC is made up of 10 executive officers in charge of various aspects of Greek Life, as well as the president and delegate from each fraternity.

As a whole, the purpose of the IFC is, in accordance with the objectives outline by the North American Interfraternity Conference (NIC), to assist the fraternity system in the development of fraternity members through intellectual, social leadership, and humanitarian pursuits. There is a place for everyone in the IFC community, and the council is committed to protecting the values that chapters uphold for generations to come. The NIC provides direct support, resources, and services to IFC officers, representatives, advisors, and alumni to further the health and success of local fraternity communities.

WHAT IS THE UNITED SORORITY & FRATERNITY COUNCIL?
The United Sorority & Fraternity Council (USFC) was founded on the University of Arizona campus in the spring of 2007. USFC is composed of diverse Greek organizations, allowing them a voice and a connection on a more direct level with the University. This council governs identity-based groups, including Divine 9/Traditionally Black fraternities and sororities. USFC and all of its member chapters are headquartered at the top floor of the Student Union Memorial Center, Room 411. USFC fraternities add cultural and identity values and ideals to the Greek system.

HOW MUCH DO FRATERNITIES COST?
Fees differ from chapter to chapter. Features such as housing, a meal plan, parking, and various local/national dues will determine the amount each new member and active member pays. Scan the QR code below with the camera on your mobile device or other downloaded app, or visit greek.arizona.edu/cost for more information on specific chapters.

WHY JOIN AN IFC CHAPTER?

THE RELATIONSHIPS
Interfraternity Council chapters vary greatly in size, ranging from 25-150 members. Some are small, family-like organizations while others are quite large. The average size is 80 members. The closest bonds are often formed within their own new member class.

LEVELS OF ENGAGEMENT
IFC fraternities are engaged across campus, including leadership roles and intramural sports. IFC chapters raise thousands of dollars each year for Tucson’s Emerge! Center Against Domestic Abuse.

THE INVOLVEMENT
IFC fraternities place a high level of importance on academics, leadership, and chapter involvement. Chapters also have a variety of social and recreational activities such as formals, theme parties, and fun philanthropic events. Most IFC groups have a chapter facility (house); however, the vast majority of members do not live in Organizations without housing have an equally fulfilling experience utilizing campus and Tucson locations for dinners, meetings, socials, and other events.

WHY JOIN A USFC CHAPTER?

THE BONDS
United Sorority & Fraternity Council fraternities are smaller, tight-knit, family-like organizations with an average size of 6 members. Not only are fraternity members close with another, they are also close with other USFC sororities and fraternities at Arizona as well as across the country.

SERVICE TO THE LOCAL COMMUNITY
USFC chapters are committed to hands-on service to the community and often serve underrepresented populations right here in Tucson with events like Adopt-a-Street and volunteering with the Boys and Girls Club.

THE EXPERIENCE
USFC fraternities are cultural and identity-based, meaning they were founded to celebrate a culture such as Asian, Latino, LGBTQ+, African American, Native American, or multicultural. This does not mean you must be of a specific identity to join—to the contrary!—those with an appreciation for the culture or identity are certainly welcomed.

LOWER COST
USFC dues are affordable, and council recruitment events are totally free!

WHY JOIN A PANHELLENIC CHAPTER?

THE RELATIONSHIPS
Panhellenic chapters are large organizations ranging from 50-375 members per group. Members often form close relationships with their Big (an upperclassman mentor) and within their own new member class.

PHILANTHROPY FOR THE GLOBAL COMMUNITY
Panhellenic sororities are committed to various national/global organizations, and each chapter raises thousands of dollars each semester for their philanthropy.

THE INVOLVEMENT
Panhellenic sororities place a large amount of importance on academics, leadership, and chapter involvement. Chapters also have a variety of social and recreational activities such as formals, theme parties, and fun philanthropic events. Most Panhellenic groups have a chapter facility (house); however, the vast majority of members do not live in. Organizations without housing have an equally fulfilling experience utilizing campus and Tucson locations for dinners, meetings, socials, and other events.

WHY JOIN A USFC CHAPTER?

THE BONDS
United Sorority & Fraternity Council sororities are smaller, tight-knit, family-like organizations with an average size of 12 members. Not only are sorority members close with another, they are also close with other USFC sororities and fraternities at Arizona as well as across the country.

SERVICE TO THE LOCAL COMMUNITY
USFC chapters are committed to hands-on service to the community and often serve underrepresented populations right here in Tucson with events like Adopt-a-Street and volunteering with the Boys and Girls Club.

THE EXPERIENCE
USFC sororities are cultural and identity-based, meaning they were founded to celebrate a culture such as Asian, Latinx, LGBTQ+, African American, Native American, or multicultural. This does not mean you must be of a specific identity to join—to the contrary!—those with an appreciation for the culture or identity are certainly welcomed.

LOWER COST
USFC dues are affordable, and council recruitment events are totally free!

Arizona has a tradition of fraternities and sororities older than "Bear Down," and we are excited at the possibility of sharing it with you!

The process of joining a fraternity or sorority is called "Recruitment" or "Membership Intake," and the process varies from council to council. IFC has a process different from PC which is different from USFC. You might sometimes hear the formal/primary recruitment process referred to as "Rush." Once you join a fraternity or sorority chapter, you may be asked to attend events sponsored by the council or chapter. If you’re interested in any of the USFC organizations, visit greek.arizona.edu/usfc/how-join and complete the Interest Form to receive more information on Divine 9 events and membership organizations.

MEMBERSHIP INTAKE
Membership Intake is the process of joining one of the Divine 9 fraternities or sororities, and the process differs for each group. Intake may include interviews, group activities, and study of values—accompanied by the involvement of both undergraduates and advisors. Groups enter the intake process at various times during the academic year. Average entry dues are $200 and average intake fee is $850, however, each organization is different, and intake fees are not released prior to Informational Meetings.

PARTICIPATING IN INTAKE
Typically, a student must have achieved the following in order to take part:
- at least second semester of first year
- at minimum of 2.50 cumulative college GPA
- various other requirements including service hours, community involvement, and campus leadership

WAYS TO LEARN ABOUT EACH ORGANIZATION
- Explore the national websites of each of the organizations
- Attend Meet the Greeks and other council or chapter events
- Learn more about the philanthropy/service focus of each group
- Meet current members and attend chapter-sponsored events

Visit greek.arizona.edu/usfc/how-join and complete the Interest Form to receive more information on Divine 9 events and membership organizations.

WHAT IS RECRUITMENT?
Both IFC and PC host formal/primary recruitment each Fall Semester. It is an opportunity to visit each IFC fraternity/fraternity on the Arizona campus. Potential new members (PNMs) will be given the opportunity to learn about every chapter and what each has to offer. As the process continues, PNMs will visit fewer chapters and will make a final decision by selecting the right group for them.

GET COMFORTABLE
Recruitment takes place in August and September. It is still very hot in Arizona during these weeks, and potential new members will be spending a lot of time outside. Keep this in mind when deciding what to wear. Lighter colors and fabrics that breathe are highly recommended. If PNMs want to wear wedges or heels when in events with chapters, we recommend bringing flip flops to change into when walking in between events. It is also recommended that PNMs wear sunscreen and drink water throughout the days.

WHO RECEIVES A BID?
It is likely that PNMs who remain in the PC primary recruitment process the entire time will receive a bid (an invitation to join an organization). IFC formal recruitment is a bit more competitive, and less bids are extended even to those who make it through the entire recruitment process. It is important to keep in mind that no PNM is ever guaranteed a bid. Each year, there are PNMs who are released from the process or are not offered a bid.

POTENTIAL NEW MEMBER ORIENTATION
Potential New Member Orientation (PNMO) will provide information about the schedule and all policies regarding formal/primary recruitment. PNMO will take place in-person with recruitment groups. PNMO will take place Sunday August 20th, exact time and location to be released at a later date. Recruitment counselors can answer any questions you have leading up to PNMO. Attendance and completion of the PNMO is required to participate in recruitment. Failure PNMO to attend will result in removal from the formal/primary recruitment process.

PNMO will not interfere with any mandatory Destination Arizona events for first-year students.

PARENT & FAMILY INFORMATION MEETING
Families of PNMs are invited to attend a virtual informational meeting mid-August—details will be shared at a later date. Families will receive information about formal/primary recruitment events and a general overview of fraternity/sorority life. Families will also learn how members obtain scholastic support, gain community and volunteer experience, establish networking relationships with alumni, and develop close friendships with chapter members and those in other Greek organizations. Attend to ask questions of other parents, Council Executive Board Officers, and Arizona Staff.

WHAT HAPPENS AT IFC FORMAL RECRUITMENT EVENTS, AND WHAT SHOULD I WEAR?

The first days of formal recruitment, you will learn about each of the chapters through talking with the members and listening to short presentations. These days are long, so dress casual yet put together. This is your chance to make a good first impression. The following days of the process, each fraternity organizes events to best showcase their organization. You will receive information on what the activities are when you check in for the day’s events. This will vary based upon which chapters you will be visiting; however, some common events include cookouts, card games, and basketball. The final round of formal recruitment is called “Preference.” Business casual is suggested as fraternities will be sharing what their fraternity means to them in a more formal setting this day.

WHAT ARE THE OPTIONS OUTSIDE OF THE FORMAL/PRIMARY RECRUITMENT PROCESS?  

IFC SPRING RECRUITMENT

During the Spring Recruitment process, chapters host their own events and provide the details of these events to IFC. Unlike formal recruitment in the Fall, those participating in the Spring process are able to make their own schedules to visit the chapters.

INFORMAL PC RECRUITMENT

A casual way for students at Arizona to get to know the Panhellenic community through social events and values-based programming. Informal recruitment allows PNMs to join a chapter in a faster, more personal manner without going through the formal process in the Fall. Only certain chapters are eligible to have an informal process, and PNMs only visit the groups in which they are interested. A list of organizations that host an informal process will be updated after formal recruitment and again at the start of each Spring Semester as not all chapters are always able to participate.

Q&A FOR FORMAL/PRIMARY RECRUITMENT

Q: What do I need to do during formal/primary recruitment?
A: Since recruitment occurs after the start of classes, you should already be moved into your living arrangements for the year if you are living in a dorm, you will move in on your assigned date given to you by Housing & Residential Life. You will not move into your dorm early as in previous years. If you’d like more information about moving into the dorms, you can visit housing.arizona.edu

Q: What are recommendations? Do I need them to participate in formal/primary recruitment?
A: Recommendations are letters of introduction from former members of a specific chapter (alumnus) written about a PNM. This letter or form tells the organization more about your personality, academics, and activities. Alumni will obtain a form if a letter is sufficiently supplied by the organization’s national office. Although recommendations are a benefit to the PNM, they are not required.

IFC SPECIFICS: Typically, only those with a significant connection to alumni of an IFC organization such as a family member or close friend will provide a recommendation letter. You can send an email to arizonafi@gmail.com for contact information for each chapter.

PC SPECIFICS: To obtain a letter a recommendation we encourage you to reach out to your network. Teachers, family, friends, bosses, etc. It is likely you know a sorority woman without realizing it. Each organization has its own process for letters of recommendation. The alums should submit her letter via her organization’s preferred process. Letters of recommendation are not required, and PNMs should not stress about obtaining them or feeling unsettled if they don’t have letters submitted on their behalf.

Q: What is a “Bid”? How do I receive one? And what if I don’t?
A: A bid is an invitation to join an organization’s new member program. During the formal/primary recruitment process, you will visit each of the participating chapters to find your fit. It is mandatory to participate in all events and visit all chapters you are invited to in order to be eligible to receive a bid on Bid Day. To increase your odds of getting a bid, participate with an open mind, be above the GPA requirement, and be yourself. For those not receiving a bid during the Fall process, there are many other ways to get involved at Arizona, and they may pursue membership following the structured recruitment week. Any PNMs who are not receiving a bid during the Fall process, there are many other ways to get involved at Arizona, and they may pursue membership following the structured recruitment week. Any PNMs who are not receiving a bid during the Fall process, there are many other ways to get involved at Arizona, and they may pursue membership following the structured recruitment week.

Q: If I go through recruitment, do I have to join?
A: Not Recruitment is a time to see what fraternity and sorority life can offer you. Going through formal/primary recruitment does not commit you to joining an organization. It is a great way to learn more about campus and meet new people along the way. It is not until the final day of formal/primary recruitment—called “Preference”—that you will make a commitment to participate in an organization’s new member process. After participating in initiation, you will be committed to that organization for a lifetime. Initiation dates vary greatly but in general should be no later than 8 weeks from Bid Day.

EXECUTIVE BOARDS

WHAT DO THE EXECUTIVE OFFICERS DO?

Each Executive Board works to ensure that there is order amongst the member chapters of each council and unity within the Arizona Greek community as a whole. The councils are completely student-run with a staff member from FSP advising each Executive Board.

STRATEGIC PLANNING

At the start of their terms, all council Executive Boards get together for a retreat to discuss the year ahead. Topics include critical issues in the Arizona Greek community, leadership development, understanding their power and responsibility as council officers, and goals for the year. This time allows the Executive Boards to strategize for how they’ll lead the community together.

ROUNDTABLES, EVENTS, AND PROGRAMS

Each officer is in charge of hosting roundtables to benefit their member organizations, events, and/or programs. These gatherings discuss what’s happening in the individual councils, are educational in nature, and allow leaders to develop skills and knowledge that they can take back with them to their chapters.

ADVOCATING FOR GREEK ORGANIZATIONS

The council Executive Boards and each of the officers play an important role as liaisons between the fraternities and sororities and the Administration at the University of Arizona. The councils facilitate the space for each of the chapters and the individual members for success and achievement in the Pillars of Greek Life: academics, leadership, service, and friendship.
