

Spring 2025 FSP Dates

This document contains information on the important dates for Spring 2025 for social events, including various due dates, event limitation dates, and “no-event” dates. **This is not an exhaustive list**, and dates may change or be added. Please reference the Social Events Policy and the FSP/UAPD MOU for further event timing parameters.

ASUA’s Spring Concert event has the potential to put limitations on the number of events. Once that date is announced, this list will be updated and communicated to chapters. It is strongly recommended that chapters ensure there is a relocation/reschedule without consequence clause in the contract.

The first day to host social events, regardless of location, is Thursday, February 6th.

Social event registration paperwork will be accepted after the social chairs training has been completed, the chapter has scheduled their walk-through, and all TiPS certificates have been submitted. TiPS certificates must be submitted every semester.
