

HQ Alcohol Education and Risk Mitigation Training Proof of Completion

At the University of Arizona, we want our fraternity and sorority members to have a fun, memorable, and safe experience. Through training, education, and partnership with chapter headquarters, we provide the necessary tools chapters need to create a safe, healthy, and responsible environment that allows all members to be successful in their daily endeavors.

For social event paperwork to be submitted and events to be registered certain organizations must have their members complete an alcohol education and risk mitigation program for members facilitated by headquarters personnel, in addition to all other policies and educational requirements being met.

University of Arizona Social Events Policy - <https://greek.arizona.edu/fsp/social-events-policy>

This form **must** be completed by headquarters personnel and emailed to GreerVinall@arizona.edu and CC ArizonaEWA@gmail.com. **This form will not be accepted if it is emailed by a student.** Questions should be sent directly to Greer Vinall, Associate Director Fraternity and Sorority Programs.
