Dear [REDACTED]

The Greek Standards Board has received a complaint against Sigma Phi Epsilon for allegedly violating **the Social Events Policy**.

Policy Allegedly Violated:

Social Events Policy – Article I. Section A:

- *All events as part of this policy must be registered with the Fraternity & Sorority Programs Office.*

Nature of Complaint:

“On the night of 4/9/26, UAPD officers on party patrol reported hearing loud music coming from the Sigma Phi Epsilon residence, and observed several female guests entering the Sigma Phi Epsilon residence. Officers also observed three males on the balcony directing females to enter through the back of the property. UAPD made contact with the chapter president and advised dismissing all guests and shutting off the music. Sigma Phi Epsilon did not have an event registered for April 9.”

The Complaint Via UAPD:

“I could hear loud music and observed several females entering the Sigma Phi Epsilon Fraternity residence (1614 E 1st St.) across the street. I observed three males on the balcony directing females to enter through the back of the residence. I approached the residence and instructed the three males to have their house president come speak with me.

A male came to the front door and identified himself as [REDACTED], stating he was the house president. I advised [REDACTED] that I had observed multiple females entering and exiting the residence and could hear loud music coming from inside. [REDACTED] apologized and asked what he could do to resolve the situation. I advised him that this fraternity had been contacted several times in recent weeks for similar issues. I advised [REDACTED] to have anyone that does not belong in the residence leave and have the music shut off.”
