Dear [REDACTED]:

The Dean of Students Office has received an official complaint alleging the involvement of Delta Kappa Epsilon in violations of the Arizona Board of Regents Student Code of Conduct.

Reportedly on or about October 1, 2026, a member of Delta Kappa Epsilon allegedly assaulted a University of Arizona Student at the Delta Kappa Epsilon facility. The assault resulted in the student being hospitalized. At no time during the incident did any member of Delta Kappa Epsilon contact the police or emergency medical services.

Such behavior is in violation of the Arizona Board of Regents Student Code of Conduct, pertinent parts of which are stated below:

Code of Conduct/2. Endangering / Threat / Cause Harm - Endangering, threatening, or causing physical harm to any member of the university community or to oneself, causing reasonable apprehension of such harm or engaging in conduct or communications that a reasonable person would interpret as a serious expression of intent to harm.

Pursuant to the Arizona Board of Regents Policy 5-401, et.seq., and in accordance with the Arizona Board of Regents Student Code of Conduct, this letter is to inform you that, effective immediately, Delta Kappa Epsilon is placed on **Activities Suspension**. *Activities Suspension* has been imposed pending the outcome of this investigation because it has been determined that your organization presents a substantial risk to members of the university community.

***Activities Suspension* prohibits hosting, attending, participating in, and sponsoring any organizational activities until the final disposition of this case. Club business meetings are the only allowed activities during this suspension.**

All members of Delta Kappa Epsilon are prohibited from having any contact with the alleged

victim of the assault and/or the victim's family.

To discuss the allegation pending against the fraternity, please contact me by October 7, 2026, to schedule a meeting. At the meeting, I will answer questions and explain the Student Code of Conduct Disciplinary process. It is expected that Delta Kappa Epsilon fully cooperate with this investigation. Any acts impeding the disciplinary process are prohibited. To schedule a meeting, please email me at [REDACTED].

A copy of the Student Code of Conduct and the Student Disciplinary Procedures can be found at the following websites:

Please be advised that it is against university policy to retaliate against anyone involved in the investigation. Should retaliation be alleged, it is a separate and distinct potential policy violation warranting another investigation. If this directive is violated, Delta Kappa Epsilon may receive more restrictive sanctions, including but not limited to loss of recognition.

I appreciate your immediate response.

Sincerely,

Whitney Mohr, PhD
Associate Dean of Students, Student Rights & Responsibilities
