Dear [redacted]:

The Dean of Students Office has received multiple reports, including official complaints from the University of Arizona Police Department (UAPD) alleging the involvement of Phi Gamma Delta in violations of the Arizona Board of Regents Student Code of Conduct.

During the fall 2026 semester, Phi Gamma Delta (FIJI) allegedly hosted unregistered social events at the Phi Gamma Delta chapter facility. It was reported that on or around September 29, 2026, and October 19, 2026, Phi Gamma Delta is alleged to have provided alcohol to minors and/or drugs to UA students, creating an environment that is a danger to the university community.

Such behavior is in violation of the Arizona Board of Regents Student Code of Conduct, pertinent parts of which are stated below:

Code of Conduct/2. Endangering / Threat / Cause Harm - Endangering, threatening, or causing physical harm to any member of the university community or to oneself, causing reasonable apprehension of such harm or engaging in conduct or communications that a reasonable person would interpret as a serious expression of intent to harm.

Code of Conduct/4. Other Published Rules - Violation of, or attempt to violate, other rules that may be adopted by Board or by the university.

Code of Conduct/15. Alcohol - Violation of Board or university rules or applicable laws governing alcohol, including consumption, distribution, unauthorized sale, or possession of alcoholic beverages.

Code of Conduct/16. Drug - Unauthorized use, sale, possession, or distribution of any controlled substance or illegal drug or possession of drug paraphernalia that would violate the law.

Pursuant to the Arizona Board of Regents Policy 5-401, et.seq., and in accordance with the Arizona Board of Regents Student Code of Conduct, this letter is to inform you that, effective immediately, Phi Gamma Delta is placed on ***Activities Suspension***. *Activities Suspension* has been imposed pending the outcome of this investigation because it has been determined that your organization presents a substantial risk to members of the university community.

Activities Suspension **prohibits hosting, attending, participating in, and sponsoring any organizational activities until the final disposition of this case. Club business meetings are the only allowed activities during this suspension.**

All members of Phi Gamma Delta are prohibited from having any contact with any alleged victims of these events and/or the victims' families.

To discuss the allegation pending against the fraternity, please contact me by October 29, 2026, to schedule a meeting. At the meeting, I will answer questions and explain the Student Code of Conduct Disciplinary process. It is expected that Phi Gamma Delta fully cooperate with this investigation. Any acts impeding the disciplinary process are prohibited. To schedule a meeting, please email me at [redacted].

A copy of the Student Code of Conduct and the Student Disciplinary Procedures can be found here:

Please be advised that it is against university policy to retaliate against anyone involved in the investigation. Should retaliation be alleged, it is a separate and distinct potential policy violation warranting another investigation. If this directive is violated, Phi Gamma Delta may receive more restrictive sanctions, including but not limited to loss of recognition.

I appreciate your immediate response.

Sincerely,

Whitney Mohr
Associate Dean of Students, Student Rights & Responsibilities
