Dear [REDACTED] [REDACTED]

The Dean of Students Office has received an official complaint from the University of Arizona Police Department (UAPD) and the Office of Institutional Equity (OIE) alleging the involvement of Sigma Phi Epsilon in violations of the Arizona Board of Regents Student Code of Conduct.

Since the start of the fall 2026 semester, Sigma Phi Epsilon has reportedly hosted unregistered social events at the Sigma Phi Epsilon chapter facility. It was reported that on or about August 26, 2026, and September 29, 2026, Sigma Phi Epsilon is alleged to have provided alcohol to minors and created an environment that is a danger to the university community.

Such behavior is in violation of the Arizona Board of Regents Student Code of Conduct, pertinent parts of which are stated below:

Code of Conduct/2. Endangering / Threat / Cause Harm - Endangering, threatening, or causing physical harm to any member of the university community or to oneself, causing reasonable apprehension of such harm or engaging in conduct or communications that a reasonable person would interpret as a serious expression of intent to harm.

Code of Conduct/4. Other Published Rules - Violation of, or attempt to violate, other rules that may be adopted by Board or by the university.

Code of Conduct/15. Alcohol - Violation of Board or university rules or applicable laws governing alcohol, including consumption, distribution, unauthorized sale, or possession of alcoholic beverages.

Pursuant to the Arizona Board of Regents Policy 5-401, et.seq., and in accordance with the Arizona Board of Regents Student Code of Conduct, this letter is to inform you that, effective immediately, Sigma Phi Epsilon is placed on **Activities Suspension**. *Activities Suspension* has been imposed pending the outcome of this investigation because it has been determined that your organization

presents a substantial risk to members of the university community.

Activities Suspension prohibits hosting, attending, participating in, and sponsoring any organizational activities until the final disposition of this case. Club business meetings are the only allowed activities during this suspension.

All members of Sigma Phi Epsilon are prohibited from having any contact with any alleged victims of these events and/or the victims' families.

To discuss the allegation pending against the fraternity, please contact me by October 26, 2026, to schedule a meeting. At the meeting, I will answer questions and explain the Student Code of Conduct Disciplinary process. It is expected that Sigma Phi Epsilon fully cooperate with this investigation. Any acts impeding the disciplinary process are prohibited. To schedule a meeting, please email me at [REDACTED].

A copy of the Student Code of Conduct and the Student Disciplinary Procedures can be found here:

Please be advised that it is against university policy to retaliate against anyone involved in the investigation. Should retaliation be alleged, it is a separate and distinct potential policy violation warranting another investigation. If this directive is violated, Sigma Phi Epsilon may receive more restrictive sanctions, including but not limited to loss of recognition.

I appreciate your immediate response.

Sincerely,

Whitney Mohr
Associate Dean of Students, Student Rights & Responsibilities
