STATEMENT ON HAZING

No individual Wildcat should be demeaned, ridiculed, belittled, or placed in a potentially harmful situation in order to be included in a group at the University of Arizona.

Being part of a campus group can be one of the most meaningful aspects of student life. However, hazing is a hidden and serious problem that undermines the value of these experiences for many individuals. Hazing is a violation of the University of Arizona policy and Arizona State law. The University of Arizona will investigate any hazing report and will always hold individuals or groups accountable if they are found to be hazing. When calling or emailing, it is important to include the name of the organization and as much detail as possible. Unfortunately, investigations cannot occur if the name of the organization and the type of incidents that are occurring are not provided.

Fraternity & Sorority Programs has joined together with Campus Health, Housing & Residence Life, Arizona Athletics, the Parent & Family Association, and the University of Arizona Police Department to create a hazing prevention coalition on campus. To prevent hazing on campus, staff, students, faculty, and families must all work together. Information on prevention and reporting can be found on the Fraternity & Sorority Programs, Dean of Students, and Hazing Prevention Coalition websites.

PLEASE REPORT HAZING TO:

The Hazing Prevention Hotline — (520) 626-HAZE
The Dean of Students — (520) 621-7057
or UAPD in case of emergency or criminal activity — (520) 621-UAPD

The FSP staff conducts workshops, and the office has built a relationship with UAPD who can also give presentations and act as an educational resource.

In addition, each chapter is required to have a member serve as the health advocate, a trained peer educator who serves as a resource for chapter members.

Q: What costs are associated with joining a fraternity or sorority?

A: For Interfraternity Council (IFC) fraternities, new members incur one-time expenses such as an initiation fee. Recurring expenses include: chapter dues, national fees, social fees, and risk management insurance. For organizations with houses, room and board (if living in a chapter facility) may also apply.

Sororities in the Panhellenic Council (PC) have similar fees involved.

For chapters in the United Sorority & Fraternity Council (USFC), the totals vary greatly. Encourage your student to inquire about each organization’s specific fees.

For Divine 9 (D9) organizations, the expenses paid upon initiation may include the new member and/or initiation fee, pin fee, as well as national, regional, and local dues. The yearly expenses may include national, regional, and local dues in addition to risk management insurance.

Dues and fees are not known until a student begins the intake process.

Q: When can my student join a fraternity or sorority?

A: There are both formal recruitment and informal processes, and some chapters may participate in one or both. To find the most up-to-date information, visit the Fraternity & Sorority Programs website: greek.arizona.edu/fsp/fraternity or greek.arizona.edu/fsp/sorority

All members are also encouraged to become involved in other student organizations, have an internship, or hold a job.

THERE ARE 26 NATIONAL FRATERNITIES ON THE UNIVERSITY OF ARIZONA CAMPUS. WHICH ONE IS RIGHT FOR YOU?

All chapters at Arizona belong to a governing council. Both the Interfraternity Council and the United Sorority & Fraternity Council are home to fraternities and offer different experiences.

WHAT IS THE INTERFRATERNITY COUNCIL?
The Interfraternity Council (IFC) is the coordinating and governing board of 18 social fraternities at the University of Arizona. IFC is made up of 9 executive officers in charge of various aspects of Greek Life, as well as the president and delegate from each fraternity.

As a whole, the purpose of the IFC is, in accordance with the objectives outlined by the National Interfraternity Conference (NIC), to assist the fraternity system in the development of fraternity members through intellectual, social leadership, and humanitarian pursuits. There is a place for everyone in the IFC community, and the council is committed to protecting the values that chapters uphold for generations to come.

WHAT IS THE UNITED SORORITY & FRATERNITY COUNCIL?
The United Sorority & Fraternity Council (USFC) was founded on the University of Arizona campus in the spring of 2007. USFC is composed of identity-based groups, including Divine 9/African-American fraternities and sororities. USFC and all of its member chapters are headquartered at the top floor of the Student Union Memorial Center, Room 404 (Center for Student Involvement & Leadership).

HOW MUCH DO FRATERNITIES COST?
Fees differ from chapter to chapter. Features such as housing, a meal plan, parking, and various local/national dues will determine the amount each new member and active member pays. Scan the QR code below with the camera on your mobile device or other downloaded app, or visit greek.arizona.edu/cost for more information on specific chapters.

WHY JOIN AN IFC CHAPTER?

THE RELATIONSHIPS
Interfraternity Council chapters vary greatly in size, ranging from 10-150 members. Some are small, family-like organizations while others are quite large. The average size is 90 members. The closest bonds are often formed within their new member class.

LEVELS OF ENGAGEMENT
IFC fraternities are engaged across campus, including student leadership roles and intramural sports. IFC chapters raise thousands of dollars each year for Tucson’s Emerge! Center Against Domestic Abuse.

THE INVOLVEMENT
IFC fraternities place a large amount of importance on academics, leadership, and chapter involvement. Chapters also have a variety of social and recreational activities such as formals, theme parties, and fun philanthropic events. Most IFC groups have a chapter facility (house); however, the vast majority of members do not live in. Organizations without housing have an equally fulfilling experience utilizing campus and Tucson locations for dinners, meetings, and socials.

WHY JOIN A USFC CHAPTER?

THE BONDS
United Sorority & Fraternity Council fraternities are smaller, tight knit, family-like organizations with an average size of 8 members. Not only are fraternity members close with another, they are also close with other USFC sororities and fraternities at Arizona as well as across the country.

SERVICE TO THE LOCAL COMMUNITY
USFC chapters are committed to hands-on service to the community and often serve underrepresented populations right here in Tucson with events like Adopt-a-Street and volunteering with the Boys and Girls Club.

THE EXPERIENCE
USFC fraternities are identity-based; meaning they were founded to celebrate a culture such as Asian, Latinx, LGBTQ+, African American, Native American, or multicultural. This does not mean you must be of a specific identity to join—to the contrary!—those with an appreciation for the culture or identity are certainly welcomed.

LOWER COST
USFC dues are affordable, and council recruitment events are totally free!

**THE GERALDO RIVERA GREEK HERITAGE PARK**

In 1915, the University of Arizona welcomed our first national organization, and in 2015, the community celebrated 100 years of fraternity and sorority life at the University. The fraternity and sorority community has been home to 90 organizations since it began in the 1900s, and there are over 50,000 alumni who have been members of our Wildcat Greek community! The last 100 years have been marked with traditions of excellence and Wildcat pride. Fraternities and sororities continue to inspire members to leave a lasting legacy so that future Wildcats can follow in their footsteps. Visit uagreek100.com for more information.

The Geraldo Rivera Greek Heritage Park is a lasting presence on campus representing our heritage, traditions, and collective achievements over the past century and commemorating 100 years of strong foundations and future leaders at the University of Arizona. The Park is a place that showcases the Arizona Greek Spirit where “All Are Welcome.” It is a functional space that is used for chapter and community events, fund development, and donor recognition.
WHICH ONE IS RIGHT FOR YOU?

All chapters at Arizona belong to a governing council. Both the Panhellenic Council and the United Sorority & Fraternity Council are home to sororities and offer different experiences.

WHAT IS THE PANHELLENIC COUNCIL?
The Panhellenic Council (PC) consists of eight executive officers from various chapters and representatives from each chapter. The Council meets biweekly to discuss current issues and upcoming events. The governing council is also responsible for local Panhellenic operations in accordance with the National Panhellenic Conference (NPC). The NPC is a conference of women’s private social fraternities and sororities founded in 1902, which includes delegates from the 26 member national and international women’s fraternities and sororities at the international level.

WHAT IS THE UNITED SORORITY & FRATERNITY COUNCIL?
The United Sorority & Fraternity Council (USFC) was founded on the University of Arizona campus in the spring of 2007. USFC is composed of diverse Greek organizations, allowing them a voice and a connection on a more direct level with the University. This council governs identity-based groups, including Divine 9/African-American fraternities and sororities. USFC and all of its member chapters are headquartered at the top floor of the Student Union Memorial Center, Room 404 (Center for Student Involvement & Leadership).

HOW MUCH DO SORORITIES COST?
Fees differ from chapter to chapter. Features such as housing, a meal plan, parking, and various local/national dues will determine the amount each new member and active member pays. Scan the QR code below with the camera on your mobile device or other downloaded app, or visit greek.arizona.edu/cost for more information on specific chapters.

WHY JOIN A PANHELLENIC CHAPTER?

THE RELATIONSHIPS
Panhellenic chapters are large organizations ranging from 50-375 members per group. Members often form close relationships with their Big (an upperclassman mentor) and within their own new member class.

PHILANTHROPY FOR THE GLOBAL COMMUNITY
Panhellenic sororities are committed to various national/global organizations, and each chapter raises thousands of dollars each semester for their philanthropy.

THE INVOLVEMENT
Panhellenic sororities place a large amount of importance on academics, leadership, and chapter involvement. Chapters also have a variety of social and recreational activities such as formals, theme parties, and fun philanthropic events. Most Panhellenic groups have a chapter facility (house); however, the vast majority of members do not live in. Organizations without housing have an equally fulfilling experience utilizing campus and Tucson locations for dinners, meetings, and socials.

WHY JOIN A USFC CHAPTER?
The BONDS
United Sorority & Fraternity Council sororities are smaller, tight knit, family-like organizations with an average size of 12 members. Not only are sorority members close with another, they are also close with other USFC sororities and fraternities at Arizona as well as across the country.

SERVICE TO THE LOCAL COMMUNITY
USFC chapters are committed to hands-on service to the community and often serve underrepresented populations right here in Tucson with events like Adopt-a-Street and volunteering with the Boys and Girls Club.

THE EXPERIENCE
USFC sororities are identity-based, meaning they were founded to celebrate a culture such as Asian, Latina, LGBTQ+, African American, Native American, or multicultural. This does not mean you must be of a specific identity to join—to the contrary—those with an appreciation for the culture or identity are certainly welcomed.

LOWER COST
USFC dues are affordable, and council recruitment events are totally free!

How to Join

Joining a fraternity or sorority requires an educated decision about the organization of which you will be a new member education process. Joining a fraternity or sorority requires making an educated decision about the organization of which you will be a life-long member.

Intake may include interviews, group activities, and therapy of groups sessions—accompanied by the involvement of both undergraduates and advisors. Groups enter the intake process at various times during the academic year. What is Formal Recruitment?

Both IFC and PC host formal recruitment each Fall Semester. It is an opportunity to visit each IFC fraternity/PC sorority on the Arizona campus. Potential new members (PNMs) will meet every chapter and learn what each has to offer. As the week continues, PNMs will visit fewer chapters and will make a final decision by selecting the right group for them.

Get Comfortable

Formal recruitment can be long and tiring, and it’s hot in Arizona. Make sure your attire is comfortable every day—this may include comfortable shoes, light clothing, and sun screen. Dress in whatever will help you be comfortable for long days.

Who Receives a Bid?

It is likely that PNMs, who remain in the PC formal recruitment process the entire time will receive a bid (an invitation to join an organization). IFC formal recruitment is a bit more competitive, and less bids are extended even to those who make to through the entire fraternity process. It is important to keep in mind that no PNM is ever guaranteed a bid. Each year, there are PNMs who are released from the process or are not offered a bid.

Potential New Member Orientation

PNM Orientation will provide information about the schedule and all policies regarding formal recruitment. This is a required meeting on the evening of Saturday, August 15th. PNMs will hear educational speakers and divide into groups to meet with their recruitment counselors at other campus locations. An email will be sent with details regarding time and location prior to the week of formal recruitment.

Parent & Family Information Meeting

Families of PNMs are invited to attend an informational meeting on Saturday, August 15th—exact time and location of this can be found at greek.arizona.edu. Families will receive information about formal recruitment week events and a general overview of fraternity/sorority life. Families will also learn how members obtain scholastic support, gain community and volunteer experience, establish networking relationships with alumni, and develop close friendships with chapter members and those in other Greek organizations. Attend to ask questions of other parents, Council Executive Board Officers, and Arizona Staff.

Night Programs during Formal Recruitment

PNMs from both IFC and PC formal recruitment will have night programs to attend after their chapter visits on August 19th and August 20th. The program on Wednesday evening will be from 7pm to 10pm. The program on Thursday evening will be from 8pm to 10pm.

What happens at IFC formal recruitment events, and what should I wear?

The first days of formal recruitment, you will learn about each of the chapters through talking with the members and listening to short presentations. These days are long, so dress casual yet put together. This is your chance to make a good first impression. The following days of the process, each fraternity organizes events to best showcase their organization. You will receive information on what the activities are when you check in for the day’s events. This will vary based upon which chapters you will be visiting; however, some common events include cookouts, card games, and basketball. The final round of formal recruitment is called “Preference.” Business casual is suggested as fraternities will be sharing what their fraternity means to them in a more formal setting this day.

Set I/Day 1
—PNMs will break from formal recruitment for UA Clicks.
—PNMs for PC formal recruitment will be assigned an item to promote the organization more about your personality, academics, and activities. Alumni will obtain a form (often a letter is sufficient) supplied by the organization’s national office. Although recommendations are not a benefit to the PNM, they are not required.

IFC Specifics: Typically, only those with a significant connection to alumni of an IFC organization such as a family member or close friend will provide a recommendation letter. Email arizonafamily@gmail.com for contact information for who to direct a letter to.

PC Specifics: It is common for a PNM to have a recommendation letter written to each Panhellenic chapter. They should be sent by the alumni directly to the address on the Panhellenic website.

Q: What is a “Bid”? How do I receive one? And what if I don’t?
A: If you are invited to join an organization’s new member program. During the formal recruitment process, you will visit each of the participating chapters to find your best fit. It is mandatory to participate in the entire week and visit all chapters you are invited to in order to be eligible to receive a bid on Bid Day. To increase your odds of getting a bid, participate with an open mind, be above the GPA requirement, and be yourself. For those not receiving a bid during the Fall process, there are many other ways to get involved at Arizona, and they may pursue membership following the structured recruitment week. Any PNMs who are not invited back to any chapters or who do not receive a bid will receive a phone call prior to the first event of the day.

Q: If I go through recruitment, do I have to join?
A: No! formal recruitment is a time to see what fraternity and sorority life can offer you. Going through formal recruitment does not commit you to joining any organization. It is a good way to learn more about campus and meet new people along the way. It is not until the final day of formal recruitment—called “Preference”—that you will make a commitment to participate in an organization’s new member process. After participating in initiation, you will be committed to that organization for a lifetime.

What are the options outside of the Formal Recruitment Process?

IFC SPRING RECRUITMENT
During the Spring Recruitment process, chapters host their own events and provide the details of these events to IFC. Unlike formal recruitment in the Fall, those participating in the Spring process are able to make their own scheduling decisions to fit their personal commitments.

INFORMAL PC RECRUITMENT
A casual way for students at the UA to get to know the Panhellenic community is through social events and values-based programming. Informal recruitment allows PNMs to join a chapter in a more personal manner without going through the formal process in the Fall. Only certain chapters are eligible to have an informal process, and PNMs are required to provide the details of these events to IFC. Unlike formal recruitment in the Fall, those participating in the Spring process are able to make their own scheduling decisions to fit their personal commitments.

FORMAL RECRUITMENT PROCESS

Q: Do I need to register for IFC and PC formal recruitment?
A: Yes! in order to participate in IFC or PC formal recruitment in the Fall and receive a bid from any organization, you must be registered. By registering for formal recruitment, your name and information is made available to all of the IFC/PC organizations. However, just because you registered does not mean you will receive a bid for membership. Remember, formal recruitment is about getting to know the chapters and letting the chapters get to know you.

Q: Is there a cost for IFC and PC formal recruitment?
A: There is no cost to register for IFC formal recruitment. However, if invited to join a fraternity, there is a $200 bid acceptance fee added to your new member dues through the chapter.

PC Specifics: The registration fee for PC formal recruitment is $200 until 11:59 pm on July 15th and increases after that day to $250. Regulations need to be received by August 15th. These fees include computer processing fees, recruitment supplies, security, and evening programming activities. These fees are non-refundable.

Q: What is the GPA requirement?*
A: Requirements vary from chapter to chapter, but a general recommendation is a 2.5 core high school GPA for those coming straight from high school and a 2.5 minimum college GPA for those who have at least 24 units taken toward a college GPA. While there is no required GPA to participate in recruitment, IFC strongly recommends a PNM to meet or exceed the general recommended GPA. Core high school GPA will be verified from grades 9–11. If there is a significant increase in core GPA in grade 12, you may submit updates with an official transcript directly to arizonafamily@gmail.com.

PC Specifics: Most chapters internally require at least a 3.0 core GPA from high school. Requirements vary, so please refer to the PC sorority chapter profile. While there is no required GPA to register for recruitment, PC strongly recommends a minimum 3.0 core high school GPA. The recommended college GPA for those with no college units is a 2.5 to participate in formal recruitment. Core high school GPA will be verified from grades 9–11. If there is a significant increase in core GPA in grade 12, you may submit updates with an official transcript directly to uapanhellenicrecruitment@gmail.com.

*Your core GPA is made up of the Sweet 16 Course Competencies as defined by the Arizona Board of Regents. This means that the GPA utilized for recruitment will only be made up of English, Math, Science, Social Science, Second Language, Fine Arts, and Career & Technical courses.

Q: Where do I live during recruitment?
A: You should be moved into your living arrangements for the year before recruitment begins. You’ll need to make your own plans if you’re living off-campus. If you are living in a dorm during the academic year, you may move into your dorm on Saturday, August 15th, during your move-in time, which you will get later in July. There is a flat rate of $279 that covers all 5 nights of early move-in. This charge will be billed directly to your Student Bursar Account. You do not need to notify Housing & Residential Life about moving in early—Fraternity & Sorority Programs will do that for you. If you like more information about moving into the dorms, you can visit housing.arizona.edu.

Q: What are recommendations? Do I need them to participate in formal recruitment?
A: Recommendations are letters of introduction from former members of a specific chapter (alumni) written about a PNM. This letter or form tells the organization more about your personality, academics, and activities. Alumni will obtain a form (often a letter is sufficient) supplied by the organization’s national office. Although recommendations are not a benefit to the PNM, they are not required.

IFC Specifics: Typically, only those with a significant connection to alumni of an IFC organization such as a family member or close friend will provide a recommendation letter. Email arizonafamily@gmail.com for contact information for who to direct a letter to.

PC Specifics: It is common for a PNM to have a recommendation letter written to each Panhellenic chapter. They should be sent by the alumni directly to the address on the Panhellenic website.

Q: If I go through recruitment, do I have to join?
A: No! formal recruitment is a time to see what fraternity and sorority life can offer you. Going through formal recruitment does not commit you to joining any organization. It is a good way to learn more about campus and meet new people along the way. It is not until the final day of formal recruitment—called “Preference”—that you will make a commitment to participate in an organization’s new member process. After participating in initiation, you will be committed to that organization for a lifetime.

Initiation dates vary greatly, but in general should be no later than 8 weeks from receiving a bid.
MEET THE COUNCIL EXECUTIVE BOARDS

WHAT DO THE EXECUTIVE OFFICERS DO?

Each Executive Board works hard to ensure that there is order amongst the member chapters of each council and unity within the Arizona Greek community as a whole. The councils are completely student-run with a staff member from FSP advising each Executive Board.

STRATEGIC PLANNING

At the start of their terms, all council Executive Boards get together for a retreat to discuss the year ahead. Topics include critical issues in the Arizona Greek community, leadership development, understanding their power and responsibility as council officers, and goals for the year. This time allows the Executive Boards to strategize for how they’ll lead the community together.

ROUNDTABLES, EVENTS, AND PROGRAMS

Each officer is in charge of hosting roundtables to benefit their member organizations, events, and/or programs. These gatherings are opportunities for discussion around what’s happening in the individual councils, are educational in nature, and allow leaders to develop skills and knowledge that they can take back with them to their chapters.

ADVOCATING FOR GREEK ORGANIZATIONS

The council Executive Boards and each of the officers play an important role as liaisons between the fraternities and sororities and the Administration at the University of Arizona. The councils facilitate the space for each of the chapters and the individual members for success and achievement in the Pillars of Greek Life: academics, leadership, service, and friendship.
