The partnership and collaboration that occurs between Fraternity & Sorority Programs and the University of Arizona Police Department is one that promotes student safety, proactive harm reduction, and chapter accountability. Both departments believe fraternities and sororities can create a safe, healthy, and responsible social environment that allows their members the opportunity to hold themselves and each other accountable to the ideals and values to which they have voluntarily committed themselves to.

The following rules shall be effective for the Fall 2020 semester:

- On-campus social events will not be registered by Fraternity & Sorority Programs.
- Fraternity & Sorority Programs will consider registering off-campus events with or without alcohol as long as the third-party vendor is permitted by the Arizona Governor's orders and complies with all University's guidance and direction in COVID-19 preventive measures, federal, state, county, and local laws. If the event includes alcohol the third-party vendor must also be properly licensed to dispense alcohol and have a properly licensed bartender(s).
